F. No. UGC/DEB/ 2013
Dated 14.10.2013

The Registrar/Director
Of all the Indian Universities
(Deemed, State, Central Universities/
Institutions of National importance)

Subject: Equivalence of Degrees awarded by Open and Distance Learning
(ODL) Institutions at par with Conventional Universities/ Institutions

Sir/ Madam,

There are a number of Open and Distance Learning Institutions (ODLIs) in the country offering Degree/ Diploma/Certificate programmes through the mode of non formal education. These comprise Open Universities, Distance Education Institutions (either single mode or dual mode) of Central Universities, State Universities, Deemed to be Universities, Institutions of National Importance or any other Institution of Higher learning recognized by Central/State/Statutory Council/Societies registered under the Society Registration Act 1860.

2. A circular was earlier issued vide UGC letter F1 No- 52/2000(CPP-II) dated May 05, 2004 (**copy enclosed**) mentioning that Degrees/Diplomas / Certificates/ awarded by the Open Universities in conformity with the UGC notification of degrees be treated as equivalent to corresponding awards of the traditional Universities in the country.

3. Attention is also invited to UGC circular No F1-25/93(CPP-II) dated 28th July 1993 (**copy enclosed**) for recognition of degrees and diplomas as well as transfer of credit for courses successfully completed by students between the two types of universities so that the mobility of students from Open University stream to traditional universities/ institutions is ensured without any difficulty.

4. The Government of India, in exercise of its power conferred under section 20(1) of UGC Act 1956, issued directions dated 29th December 2012 entrusting UGC with the responsibility of regulating higher education programme in open and distance learning (ODL) mode. Consequently, Universities/ Institutions desirous of offering any programme through distance mode would require recognition of UGC.

5. As you are aware, the Government of India has envisaged a greater role for the Open and the Distance Education System. The envisioned role may be fulfilled by recognizing and treating the Degrees / Diplomas/ Certificates awarded through distance mode at par with the degrees obtained through the formal system of education. Open and Distance Education System in the country is contributing a lot in expansion of Higher Education and for achieving target of GER, without compromising on quality. Non recognition/ non equivalence of degrees of ODL institutions for the purpose of promotion/ employment and pursuing higher education may prove a deterrent to many learners and will ultimately defeat the purpose of Open and Distance Education.

6. Accordingly, the Degrees/ Diplomas/ Certificates awarded for programmes conducted by the ODL institutions, recognized by DEC (erstwhile) and UGC, in conformity with UGC Notification on specification of Degrees should be treated as equivalent to the corresponding awards of the Degree/Diploma/Certificate of the traditional Universities/ institutions in the country.

Sub Regional Centre Lucknow	Uttar Pradesh
Sub Regional Centre Nuh, Mewat	Haryana

The Regional and Sub Regional Centres of Directorate of Distance Education facilitate the ODL students with support services, management of Study Centres and admission process. In the year 2018-19, Directorate of Distance Education had 112 LSCs within the purview of its RCs/SRCs. In its endeavour to modernise itself and enhance quality for the benefit of the ODL learners, DDE has introduced Choice Based Credit System (CBCS) framework for UG & new M.A. programmes. DDE has

vigorously started adopting ICT in its academic and administrative functioning. Admissions to all DDE programmes are now being conducted through on-line mode only. The University's Instructional Media Centre prepares video lectures to provide anytime, anywhere learning environment to the learners through its dedicated IMC YouTube channel accessible at <http://youtube.com/u/imcmanuu>. A large repository of audio-visual educational programmes has already been prepared by the Media Centre and new lessons are regularly produced and uploaded. Soft copies of SLM are also being provided to the learners through University's website. To improve communication between DDE and learners SMS facility is now extensively used to send alerts to students about various aspects of programme delivery such as Course Registration, Assignments etc.

The post graduation, graduation, diploma and certificates awarded by the University are at par with the certificates of recognized Universities. Day-by-day the strength of the students is growing. Thus, the DDE is striving hard to reach the unreached.
