From the Vice Chancellor's Desk

As the Vice Chancellor of the Maulana Azad National Urdu University, I believe that the pinnacle of excellence in interdisciplinary research, innovation, and inclusive societal advancement can be achieved through education in the Urdu language. I imagine a future when our students can become visionary leaders with the knowledge, empathy, and willpower to make a world filled with positive change and limitless opportunity.

Standing at the juncture of last 27 years, to create this eco-system, I have a vision for the next 10 years: including experienced individuals in the university's administration, decentralizing power and responsibility and raising the standard of work are crucial factors for inculcating a model of good governance. This is consistent with the ideas of effectiveness, competitiveness, independence, and self-sufficiency so that workable solutions can be developed by utilizing the core competencies of all stakeholders to address the issues the university is experiencing.

The University has made some significant decisions in the implementation of fresh concepts in the light of NEP 2020 in order to meet the current demand for a healthy academic environment. The introduction of foreign languages is one idea for which Urdu can serve the finest purpose in the field of translation and interpretation. There has been an emphasis on fusing several disciplines together to foster interdisciplinary and multilingual traditions. This would enable integration of subjects and cross cultural research cutting across boundaries.

Another area in which we are able to maintain our source of knowledge, while adopting a clear strategy to empower our students professionally is through implementing programs in skill development. As a result, several of the disciplines are gaining increasing acceptance and support from other institutions and from students both inside and beyond the state.

As a major portion of students admitted to our university come from socially and economically disadvantaged backgrounds, stronger connections are being established with the madrassas through both physical and virtual channels. As per the mandate of the statute of the university, the institution is also now able to attract a large number of girls' students in regular as well as distance learning programs. This demonstrates the University's reach at all levels.

All put together, there is a bright future that beckons you to this University.

Professor Syed Ainul Hasan

(Vice Chancellor, MANUU)

Every aspirant of education cannot afford to go to the Universities/Colleges to pursue her/his goals in education through regular/ campus mode. Distance Mode of Education is a tool for providing education by taking it to the doorstep of the aspirants. It aims to reach the unreached. Distance Mode of Education, known as Open and Distance Learning (ODL), is more suitable and apt for those who want to improve their knowledge and qualification by staying at home or by doing their daily routine/professional work. They need to attend a few classes at the Learner Support Centres (LSCs) opted by them as per UGC - DEB guidelines and University rules & regulations.

The Centre for Distance and Online Education offers various academic programmes in distance mode and operates through a network of 9 Regional Centres (RCs) and 6 Sub-Regional Centres (SRCs) and 156 Learner Support Centres (LSCs) cum Exam catering to thousands of students each year at their doorsteps.

The Instructional Media Centre (IMC), Centre for Information Technology (CIT), Directorate of Translation, Translation Studies, Lexicography and Publications (DTTLP) and Centre for Internal Quality Assurance (CIQA) work in close coordination with the Centre for Distance and Online Education academically and technically to enrich the programmes under Distance Education.

The faculty of CDOE prepares video lectures by taking technical assistance from University's Instructional Media Centre to provide anytime, anywhere learning environment to the learners through its dedicated

IMC YouTube channel accessible at <https://www.youtube.com/imcmanuu>. A large repository of audio-visual educational programmes has already been prepared by the Media Centre and new lessons are regularly produced and uploaded. CDOE is in the process of launching its own Digital Multimedia Centre (DMMC), which will become operational shortly. Soft copies of Self Learning Material (SLM) are also provided to the learners through the University's website at <https://manuu.edu.in/dde/self-learning-material>.

In its endeavor to make ODL programmes more vibrant and to enhance quality for the benefit of the ODL learners, Centre for Distance and Online Education (CDOE) has introduced Choice Based Credit System (CBCS) for UG & PG programmes. As per UGC-DEB regulations, the curriculum of various ODL programmes has been revised and synchronized with that of regular mode. Accordingly, the SLM is prepared. The Centre for Distance and Online Education (CDOE) has vigorously started adopting Information and Communication Technology (ICT) in its academic and administrative functioning. Admissions to all Centre for Distance and Online Education (CDOE) programmes are now being conducted through on-line mode only. To improve communication between Centre for Distance and Online Education (CDOE) and learners, SMS facility is now being extensively used to send alerts to students about various aspects of programme delivery such as Course Registration, Dispatch of SLMs, Assignments etc.

F. No. UGC/DEB/ 2013
Dated 14.10.2013

The Registrar/Director
Of all the Indian Universities
(Deemed, State, Central Universities/
Institutions of National importance)

Subject: Equivalence of Degrees awarded by Open and Distance Learning
(ODL) Institutions at par with Conventional Universities/ Institutions

Sir/ Madam,

There are a number of Open and Distance Learning Institutions (ODLIs) in the country offering Degree/ Diploma/Certificate programmes through the mode of non formal education. These comprise Open Universities, Distance Education Institutions (either single mode or dual mode) of Central Universities, State Universities, Deemed to be Universities, Institutions of National Importance or any other Institution of Higher learning recognized by Central/State/Statutory Council/Societies registered under the Society Registration Act 1860.

2. A circular was earlier issued vide UGC letter F1 No- 52/2000(CPP-II) dated May 05, 2004 (**copy enclosed**) mentioning that Degrees/Diplomas / Certificates/ awarded by the Open Universities in conformity with the UGC notification of degrees be treated as equivalent to corresponding awards of the traditional Universities in the country.

3. Attention is also invited to UGC circular No F1-25/93(CPP-II) dated 28th July 1993 (**copy enclosed**) for recognition of degrees and diplomas as well as transfer of credit for courses successfully completed by students between the two types of universities so that the mobility of students from Open University stream to traditional universities/ institutions is ensured without any difficulty.

4. The Government of India, in exercise of its power conferred under section 20(1) of UGC Act 1956, issued directions dated 29th December 2012 entrusting UGC with the responsibility of regulating higher education programme in open and distance learning (ODL) mode. Consequently, Universities/ Institutions desirous of offering any programme through distance mode would require recognition of UGC.

5. As you are aware, the Government of India has envisaged a greater role for the Open and the Distance Education System. The envisioned role may be fulfilled by recognizing and treating the Degrees / Diplomas/ Certificates awarded through distance mode at par with the degrees obtained through the formal system of education. Open and Distance Education System in the country is contributing a lot in expansion of Higher Education and for achieving target of GER, without compromising on quality. Non recognition/ non equivalence of degrees of ODL institutions for the purpose of promotion/ employment and pursuing higher education may prove a deterrent to many learners and will ultimately defeat the purpose of Open and Distance Education.

6. Accordingly, the Degrees/ Diplomas/ Certificates awarded for programmes conducted by the ODL institutions, recognized by DEC (erstwhile) and UGC, in conformity with UGC Notification on specification of Degrees should be treated as equivalent to the corresponding awards of the Degree/Diploma/Certificate of the traditional Universities/ institutions in the country.

F. No. 1-9/2018 (DEB-I)

PUBLIC NOTICE

The Government of India has envisaged a greater role for the Open and the Distance Education System. The envisioned role may be fulfilled by recognizing and treating the Degrees/Diplomas/Certificates awarded through distance mode at par with the corresponding awards of Degrees/Diplomas/Certificates obtained through the formal system of education. Open and Distance Education System in the country is contributing a lot in expansion of Higher Education and for achieving target of Gross Enrolment Ratio, without compromising on quality. Non recognition/non equivalence of degrees of Open and Distance Learning (ODL) institutions for the purpose of promotion/employment and pursuing higher education may prove a deterrent to many aspiring students and will ultimately defeat the purpose of Open and Distance Education.

Accordingly, the Degrees/Diplomas/Certificates awarded for programmes conducted by the ODL institutions, recognized by the erstwhile DEC/UGC, in conformity with UGC Notification on Specification of Degrees should be treated as equivalent to the corresponding awards of the Degree/Diploma/Certificate of the traditional Universities/Institutions in the country.

UGC has notified *UGC (Open and Distance Learning) Regulations, 2017* in the official Gazette on **23/06/2017**. As per UGC (Open and Distance Learning) Regulations, 2017 under Part-I (2)(p), the programmes in engineering, medicine, dental, pharmacy, nursing, architecture, physiotherapy and such other programmes which require hands-on training are not permitted to be offered under Open and Distance Learning mode.
